

Registration

Before confirming your registration, you must complete the registration form. This allows us to check if there are still available spots for the training and to provide you with a final price based on the options you select (accommodation, early bird discount, income categories, etc.).

Pre-registrations are considered upon receipt of the registration form. Registrations are processed on a first-come, first-served basis. So, once the form is filled, we will send you an email in the next 8 days (confirmation of your pre-registration).

We kindly ask you to pay the total amount due within 10 days of receiving confirmation of your pre-registration (confirmation of pre-registration = email sent by us). Payment confirms your registration. It also implies your acceptance of these general terms and conditions as well as our internal regulations.

Ermitaj reserves the right to cancel your registration in case of non-payment within the specified timeframe.

You can request alternative payment terms at the address: contact@ermitajmalin.com

No refund of the registration fee will be provided if the participant decides to discontinue their training.

In the event of cancellation by the organization (e.g., if the minimum number of participants is not reached), you will receive a full refund, with no additional compensation. The organization will decide to cancel a course no later than 3 weeks before its start date if the reason is operational (lack of participants).

Meals

The course fee includes meals from the morning of the first day of the course to lunch on the last day. Water, tea, and coffee will be available during breaks.

We recommend arriving the evening before the course begins. Dinner that evening will follow a shared meal concept: bring some food to share!
